A Beautiful Piano Given Away!

OCTOBER 7, 1903

By Certain Roswell merchants.

A number of the enterprising firms of the city have interested themselves in an arrangement to give away, absolutely FREE, an elegant Piano to some lodge, church, school, club or other organization of the county.

The plan is a novel one and at once commends itself to the public, there being no outlay on the part of anyone other than the people who are doing this to stimulate cash trade and at the same time popularize their place of business and bestow a lasting and valuable gift that will be a permanent advertisement for them.

Briefly stated the plan is this: Each firm who is interested in the contest, is provided with voting tickets, and for each ten cents worth of goods purchased or work done, issues a ticket entitling the holder to one vote. The ticket can be voted for the church, lodge, society or club of the purchaser's preference. A ten cent purchase entitles to one vote, twenty cents to two votes, fifty cents to five votes, one dollar to ten votes, five dollars to fifty votes, and so on. These tickets should be filled out in ink or indelible pencil, the merchant filling in amount of purchase and number of votes, the customer filling in for which church, lodge or other organization the vote is to be cast and name of voter. There must be no erasure or alterations on the tickets. They can only be had from the firms who have secured an interest in the contest and only from them in return for cash purchases of goods. No charge whatever is made for the tickets.

The voting box is at The Pecos Valley Drug Co., where all tickets should be deposited same day as received. On each Wednesday the vote will be counted and the standing of contestants announced in The Weekly Record. A disinterested committee will be elected to count the votes. The contest is now on and will close October 7th, 1903, at noon, at which time the piano will be awarded.

Piano is Now in Use at the Methodist Church.

In Hondo Lands

The best proposition in the valley today, 80 acres of the finest lands in high state of cultivation, fenced and ditched, with water-right and complete pumping plant sufficient to water the whole tract alone.

There are about thirty acres of bearing orchard, and twenty-five acres in alfalfa, a modern residence, seven rooms, bath and all conveniences. This property is about two miles from the heart of the town.

Two 40 acre tracts, one has 20 acres in alfalfa, the other about two acres in alfalfa, each has a good water right, and are fenced, price, \$40 per acre.

Three 40 acre tracts, irrigated grass, fine Hondo soil with good water right, for \$30 per acre. These lands are very cheap, and are about two miles from Main street.

We have two tracts of the same lands with water rights, improved, and fenced, close in, at prices that will astonish you.

We have four 40 acre tracts without water rights, but subject to irrigation by means of pumping plants finest soil, close in, can be bought for from \$35 to \$75 per acre.

480 acres Hondo alluvial soil, finest artesian well in the valley, flowing capacity of ample sufficiency to irrigate 200 acres. This tract is within 12 miles of Roswell and one mile of R. R. station.

For a good responsible lessee we have, 11-2 miles from town, a most desirable 5-room adobe cottage, pure artesian water in the house; conveniently equipped bath with hot and cold water; 3 acres in bearing fruit trees, alfalfa, etc.

480 acres unimproved 12 miles from Roswell.

80 acres, 55 in alfalfa, 12 in orchard and vineyard, ditch right; affording ample supply of water. This is a proposition on which you do not have to wait for returns. It is a money maker from the start.

Six rooms, hard wood finish, bath, all modern conveniences, large yard, artesian water, fine trees, excellent location.

Eight rooms, beautiful lawn, artesian water, large shade trees, with all modern conveniences, at a price less than you can put in the improvements.

Five room house, 100 feet front, artesian well, with out houses.

Two ten acre tracts in Fruitland addition, \$1600.

One 3 1/2 acre tract in South Highlands, \$500.

We are at all times in a position to show you anything we have, and all we ask is that you give us the opportunity and we will do the rest.

Had the Insect Located.

An old negro walked into a drug store at Amarillo a few days ago and asked the clerk for a cent's worth of insect powder. "A cent's worth?" exclaimed the clerk. "Why, that isn't worth wrapping up." "Ah done said nothin' 'bout yoh wrappin' it up," was the impatient reply. "Ah wants yoh to po' it down mah back."

Twenty-Four New Members.

Instructor Fletcher says they now have twenty-four new members for the new Mexico Military Institute band who are training for next session. There are eighteen cadets who are in active service in the band for this session making forty-two in all. He says they will undoubtedly have a better cadet band this year than ever before. The boys are doing their best to raise the standard of their music.
